I was dispatched to a residential alarm. Upon arrival I observed the front door wide open. House was checked and no one was located inside the home and nothing appeared suspicious. It was very windy outside and it was found that the front door does not shut securely. Responsible party was advised the dead bolt would need to be locked to avoid the wind pressure opening the front door again. Responsible party secured the front door and reset the alarm. WH300

I responded on a report of a suspicious van parked in front of the residence in Woodland Hills. The van had no license plate and also didn't have any identification number in the window or door frame. The reporting party stated the van was not there in the morning of 04/12/2014 but when she had returned home on 04/13/2014 at 0100 hours, the van was parked off the road.

The van appeared that it was currently going through a restoration and it had appeared the front steering arm had broken off making the vehicle un-operable. I

left my business card on the windshield. I will request that Deputies extra patrol the area and will check back on the vehicle on the next set of days on and continue follow-up on the vehicle. WH200
