On the 4th of January 2014, complainant reported her father in law was withholding her prescription medications from her. Contact was made with her father in law who advised the pills were being kept in a safe and dispensed to her regularly by her husband who could access the pills whenever needed and he stated there was a court order regarding her husband having to dispense the pills due to her possibly abusing the pills and she is also court ordered to submit to a substance abuse screening which she has not completed yet. Complainant was advised her husband would dispense the pills to her as they were prescribed and that pills did not need to be in her direct possession as long as they were being dispensed as necessary. No further action taken. Case closed. WH300
