I responded on a report of a prowler. The reporting party was stating that her dog was at the back door growling, and that in the past, someone had been walking around her property and also knocked on her back door. I arrived at the residence and was unable to see any human foot prints in and around the property in the snow. I could only locate animal tracks. The RP requested that law enforcement extra patrol the area. The rp also stated that she was going out of town on February 14, 2014 to February 18, 2014 and requested we extra patrol during that time as well. WH200
