Deputies were dispatched to a residential alarm, upon arrival deputies located an open garage door and within the garage an unlocked door to the residence. The residence was searched and nothing appeared to be out of place. No signs of forced entry were observed. While clearing the residence deputies spoke to the basement apartment renter who stated she arrived home and deactivated her alarm approximately 45 minutes prior to our contact with her. That time coincides with the initial alarm drop time. The homeowner was on vacation and notified if anything was missing or looked out of place to call the Sheriff's Office. No further action. WH400
