**Address:**

On 07/04, I responded to a home in Woodland Hills for a report of some found marijuana, alcohol and tobacco. The reporting party found the items in her son's room. Her son and his friend were visiting from Idaho and both the boys were staying in this room.

Both boys admitted to using some marijuana earlier in the evening. The mother, who found the items, told me the boys had never been in trouble for anything in the past. She asked if I could discard of the items, but not charge the boys criminally.

Due to the nature of the call, how the items were found, and the history of the boys, no criminal charges will be filed in this incident. The alcohol and tobacco was thrown away. The marijuana and the pipe were placed into evidence for destruction. No further actions taken. WH200
