I was dispatched to a report of individuals attempting to take a deer that had been shot and was in a field near the mail boxes in Woodland Hills. ACO and DWR responded to the area on the same report of the deer earlier in the day. When I arrived on scene, no one was present and the deer was still in the field. I contacted the RP who advised after calling Dispatch, he recognized one of the individuals as his neighbor that works for DWR. The individual stated that his neighbor had responded due to the earlier report to remove the deer's head and antlers so that no one else would take the deer. Dispatched advised that DWR would respond on Tuesday or Thursday to remove the deer. No further action taken. WH100
